EDUCATION

Bachelor of technology in Information Technology	2022 - 2026
Velammal Engineering College	
• CGPA : 8.52	
Mohammed Sathak Mat.Hr.Sec.School	
HSC Percent : 90	2021 - 2022
SSLC Percent : 86	2019 - 2020

SKILLS

- UI/UX Design: User Research, Information Architecture, User Flows, Wireframing, Prototyping.
- UI Design: Visual Hierarchy, Typography, Color Theory, Design Systems, Responsive Design
- Tools: Figma, Canva, Balsamiq, Miro, Notion
- Soft Skills: Communication, Problem Solving, Creativity, Collaboration, Adaptability

LANGUAGES KNOWN: Tamil | English

PROJECTS

1. FurBaby- Pet Care Application

- Conducted user research to understand common pet care challenges.
- Created user personas and mapped key user flows.
- Designed high-fidelity mobile UI screens in Figma.
- Built an interactive prototype for pet health, appointments, and location tracking.
- Applied user-centered design principles, visual hierarchy, and consistent UI components.

2.Hexify - Device Security Dashboard

- Researched user pain points in existing cybersecurity dashboards.
- Organized content using information architecture and user flows.
- Designed high-fidelity dashboard screens in Figma.
- Created reusable UI components for a consistent design system.
- Simplified complex security information using clear visual hierarchy and intuitive navigation.

CO-CURRICULAR ACTIVITIES

- Participated in Kratos’24 In SRM Easwari Engineering College on 26th October 2024.
- Participated in Electra’2K24 In Sri Sairam Institute of Technology on 19th September 2024.
- Participated in Blockathon’24 In Velammal engineering college on 21st August 2024.
- Completed a workshop in Power BI and Tableau from 25th March 2024 to 1st April 2024.

CERTIFICATIONS

- Google UX Design Professional Certification -Coursera (05/01/2026).
- Introduction to Graphic Design; Basics of UIUX - Simplilearn Skillup (22/10/2025).
- Foundations of Prompt Engineering - AWS Skill Builder (23/11/2024).
- Fundamentals of Machine Learning and Artificial Intelligence - AWS Skill Builder (02/10/2024).
- Google AI Essentials - Coursera (09/02/2025).

PRACTICAL TRAINING

Internship at Virtual Tech Services in Data science and Machine Learning	Dec 2024
• Worked on real-world projects involving data analysis, predictive modelling, and data visualization.	
• Applied machine learning algorithms using Python to extract insights and optimize decision-making.	
In-Plant Training at Arjun Vision Technologies in UI/UX Design	Jun 2024
• Gained hands-on experience in creating user-friendly interface prototypes and wireframes.	
• Improved skills in user research, design tools, and usability testing.
